

GUIDELINES FOR JEWISH LEARNING FUNDS

Jewish learning funds (\$3,750 per Wexner Funding year) can be used in the following ways:

1. One-on-one with a Jewish educator at \$250/session (or Hebrew language tutor).
2. One-off Jewish workshops and classes (e.g. at a synagogue or in a webinar).
3. Immersive Jewish learning experiences planned for Jewish learners

Because there are some “gray areas” in #3, we want to clarify that approved immersive Jewish learning programs will be:

1. Sponsored by a Jewish organization
2. All-inclusive experiences led by Jewish educators
3. Designed for Jewish learning / center the Jewish learner
4. Minimum 12 hours of Jewish learning over the course of the experience

Personally curated travel that is not sponsored by a Jewish nonprofit organization, including all-inclusive Jewish tours, will not be approved.
